

Founding Members of the
Dr. James E. & Betty W. Key Map Room

The Houston Public Library Foundation is honored to present Founding Member gift opportunities in support of the establishment of the Dr. James E. and Betty W. Key Map Room at the historic Julia Ideson Building. The Houston Public Library's Houston History Research Center is a renowned repository of local history and maps dating back to 1837 and recently received a gift an antique map collection from Dr. and Mrs. Key. The Dr. James E. and Betty W. Key Map Room is a dedicated gallery space for the display of maps about Houston and beyond.

For additional information regarding the Founding Members of the Key Map Room please contact Elizabeth Gomez at the Houston Public Library Foundation at 832.393.1464 or egomez@houstonlibraryfoundation.org.
